**LEGAL NOTICE**

**STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA.**

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room 1<sup>st</sup> Floor, LaSalle Building, 617 North 3<sup>rd</sup> Street, Baton Rouge, Louisiana, at 9:00 a.m. on **TUESDAY, JUNE 22, 2004**, upon the application of **WSF, INC.**

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of Orders pertaining to the following matters relating to the **Fuller Sand**, in the Lisbon Field, Claiborne Parish, Louisiana.

1. To dissolve the ten (10) 60 acre units (no unit nomenclature assigned) established for the production of oil and gas and one (1) 300 +/- acre unit (no unit nomenclature assigned) established for the production of gas and condensate from the Fuller Sand created by Office of Conservation Order No. 9-E, effective February 1, 1949, in the Lisbon (formerly Northeast Lisbon) Field, Claiborne Parish, such units shown on the plat submitted with the application.
2. To simultaneously to determine that the operation of the Lisbon Fuller Sand Unit in the Lisbon (formerly Northeast Lisbon) Field, Claiborne Parish, for the production of oil and gas on the bases of a poolwide unit is economically feasible, in the interest of conservation, that such poolwide unit well prevent waste and the drilling of unnecessary wells and will increase the ultimate recovery of hydrocarbons from the reservoir.
3. To approve and adopt that certain agreement styled UNIT AGREEMENT LISBON FULLER SAND, LISBON (FORMERLY NORTHEAST LISBON) FIELD, CLAIBORNE PARISH, LOUISIANA (hereinafter referred to as the "Unit Agreement") which sets forth the terms of unit operations for the Fuller Sand.
4. To create a single poolwide unit in accordance with the provisions of Act No. 441 (R.S. 30.5C) comprised of the Fuller Sand, productive of oil and gas, in the proposed unit to be designated LISBON FULLER SAND, more particularly shown on the plat designated "Exhibit No. B", attached to the Unit Agreement.
5. To force pool and unitize all separately owned tracts, mineral leases and other property interests within the poolwide unit and provide for the allocation of production in accordance with the provisions in accordance with the terms and provisions of the Unit Agreement and to provide for the allocation to each separate tract within the unit its proportionate share of unit costs and expenses in the same proportion as such tract shares in unit production.
6. To designate WSF, Inc., as the Unit Operator of the proposed fieldwide unit.
7. To exempt the poolwide unit from the provisions of Statewide Order No. 29-E.
5. To consider such other matters as may be pertinent.

The Fuller Sand in the Lisbon (Formerly Northeast Lisbon) Field, Claiborne Parish, Louisiana, was defined in Office of Conservation Order No. 9-E, effective February 1, 1949.
